### Purpose

How well do you know Minnesota's Group Residential Housing (GRH) program? You've had opportunities to attend training sessions on it before but find there are still aspects of the GRH program that need clarification so you can better serve seniors in your community. - Review the eligibility criteria for the GRH program so you know who and how many it serves.
- Refresh your knowledge of what the payment covers to recognize potential purchasers of your housing.
- Identify potential operational challenges for providers under the GRH program.
- Pose questions to a key DHS expert about the GRH program and receive practical information to help fine tune your operations when you incorporate it into your client payment mix.
