CHARTED RACES

The MHHA will be providing charting at Hastings to ensure that each member is able to have a chartered line ahead of any races at Northville Down.

All colts entering to race on the card at a pari-mutuel track must have a current chartered line within 45 days at the time of entry. Races scheduled at a pari-mutuel track may be raced as betting or non-betting races at the discretion of the host track. The MHHA recommends all horses have a 45-day chartered line to prevent the need to scratch.
