Dear Gentlemen,

We have received your application for certification for 2022. Our review has determined that your organization meets the criteria for a certified horsemen's organization, as set forth in the Horse Racing Law of 1995.

Therefore, the Michigan Harness Horsemen's Association is certified for 2022 with the Michigan Gaming Control Board as a certified horsemen's organization for the Standardbred breed in the state of Michigan.

If you have any questions concerning this matter, please feel free to MGCB's Horse Racing Manager Al Ernst at (313) 456-4130.

Respectfully,
